PROFESSIONAL EXPERIENCE

MIT Sloan School of Management — Global Programs (MIT REAP)

Assistant Director Cambridge, MA | 2024 – Present

- Manage participant engagement and program delivery for MIT REAP, a global initiative spanning 100+ regions worldwide.
- Work closely with faculty, regional leaders, and institutional stakeholders to support the development of innovation-driven entrepreneurship ecosystems.
- Lead coordination of multi-cohort program activities, including workshops, advisory sessions, and milestone deliverables across global teams.
- Oversee participant-facing systems, including tracking of assignments, regional strategies, and ecosystem progress.
- Contribute to program design, content development, and continuous improvement of REAP’s global model and methodology.

MIT Sloan School of Management — Global Programs (MIT REAP)

Program Coordinator Cambridge, MA | 2022 – 2024

- Supported planning and delivery of global workshops and executive-style programs across international regions.
- Coordinated logistics, communications, and stakeholder engagement for in-person, virtual, and hybrid programs.
- Developed and maintained databases for participant tracking, faculty coordination, and program operations.
- Collaborated with faculty and staff on program content development and delivery execution.

University of Massachusetts Boston

Research Assistant Boston, MA | 2020 – 2021

- Conducted literature reviews and supported research design and methodology development.
- Assisted with data cleaning, coding, and analysis using quantitative and qualitative approaches.
- Identified, evaluated, and synthesized peer-reviewed academic sources.

European Union Delegation in Afghanistan

Translator & Support Officer Kabul, Afghanistan | 2018 – 2019

- Supported EU Election Mission through translation, coordination, and reporting.
- Facilitated communication between stakeholders, institutions, and international teams.
- Prepared analytical summaries on electoral processes and governance dynamics.

Hasht-e-Subh Daily Newspaper

Program Manager Kabul, Afghanistan | 2017 – 2019

- Managed multi-donor projects focused on media development and public policy.
- Coordinated editorial, research, and reporting teams across multiple initiatives.
- Contributed to investigative reporting and policy-relevant analysis.
